

# SAFETY TIPS

Old Fashion Candy Co.

Safety is **priority** while fundraising.

**Do's and don'ts** for selling:

If you choose to sell door-to-door, an adult should supervise. Solicitation should be done during the day and never at night.

Children should never reveal personal information to anyone including their home phone number.

Children should never enter a home without being accompanied by the supervising adults.

Parents can be involved by selling items to family and coworkers.

Use the "Buddy System." Never sell alone.

Do not carry large amounts of cash.

Use the telephone to call family and friends and ask them to help your group by making a purchase.

Check with your school district and local government to see what laws are in force governing fundraising activities in your state.

Children should be encouraged to work as a team instead of competing against one another. This encourages cooperation and reinforces safety rules.
